

In-house: Corporate Lawyer

- Fixed term 6 month contract, with possible extension or permanency
- Part time 20-30 hrs/week – flexible working hours
- ASX listed renewable energy company
- Broad and varied role

Carnegie Clean Energy Limited is an ASX-listed (ASX:CCE) renewable energy group which includes developers of Carnegie's world leading patented CETO Wave Energy technology and recently acquired solar and battery company Energy Made Clean Pty Ltd (EMC). Carnegie is at the forefront of designing, developing, financing, constructing, operating and maintaining microgrids, utilising a world-first combination of wave energy, solar, wind, energy storage, desalination and diesel in both on and off-grid applications in Australia and internationally. This is an opportune time for the right lawyer to join a dynamic company that offers an outstanding part time working environment in an exciting and rapidly growing renewable energy field.

Carnegie is seeking a mid-level lawyer to work alongside our other part time corporate lawyer across a broad range of procurement, tendering, construction, commercial and corporate matters. Working autonomously but engaging with stakeholders across all areas of the business and reporting directly to the CFO, this is an interesting role for a bright, enthusiastic lawyer who enjoys a variety of tasks.

The Position:

- Procurement and tendering support
- Contracts review, drafting and advice
- Project finance and corporate structuring work
- Confidentiality agreements
- General commercial and corporate advice and legal compliance

The Candidate will possess the following:

- 3 - 6 years PQE
- Background within a mid or top tier firm or in an in-house role
- Procurement contract experience
- Commercial and construction contracts experience
- Strong drafting skills & commercial acumen
- First class written and verbal English communication skills
- Confidence and ability to work autonomously within a commercial team
- A professional, enthusiastic, flexible and positive approach

The following would be well regarded:

- An interest in renewable energy or energy
- Tendering support experience
- Project Finance and Corporate Structuring experience
- Commercial dispute resolution and Company Secretarial experience

The Company offers:-

- A broad range of hands on experience across all legal areas of an ASX listed business
- Direct and continuous interaction with the CFO and senior management
- The chance to work in a rewarding company and be part of developing and demonstrating a world class and world first renewable energy technology
- A competitive remuneration package will be offered in line with relevant experience and skills.

Applications, including covering letter, CV and answers to the application questions below, should be forwarded to careers@carnegiece.com with "Commercial Lawyer" in the subject title. Confidentiality is assured.
